Key Properties leases to Advanced Power Technology

David Hirschman Realty brokers 4,500 s/f lease of an 11,000 s/f prop.

RAMSEY, NJ—Commercial real estate company David Hirschman Realty has brokered the lease of 4,500 s/f of an 11,000 s/f office/technical building located at 150 Hilltop Road. Easily accessible from Route 17, the building is also conveniently situated near Route 287.

David Hirschman Realty represented building owners Key Properties, LLC of Teaneck,

PRESIDENT, DAVID HIRSCHMAN

NJ; the space was leased to Advanced Power Technology. The company, formerly located in Hackensack, NJ, assembles light computer boards. Darren McGowen served as representative for Hirschman Realty; American Properties were the brokers for the tenants. The building's remaining 6,500 s/f is currently available for lease through Hirschman Realty.
